# RESOURCES

# After too much distance we are inviting you to be CLOSER at Capernwray in 2022!

Holidays at Capernwray are back and we are delighted! We are particularly looking forward to the return of our youth holidays with 'CONNECT' (11-13's) around Easter and 'International Youth Weeks' (14-17's) in the Summer. We are also offering IMPACT, an 18-25's holiday for those who might have missed our IYW's or those who are looking for an 18-25 holiday for the first time.

Capernwray is a fantastic place to experience peace and connect with God, and many families discover what a wonderfully safe and secure environment it is for children to explore and enjoy. Whatever holiday you choose we are greatly looking forward to seeing you here soon!

All our holidays are centred on Bible teaching - we love giving time and attention to Jesus Christ, learning more about him and discovering more of the transformation he brings to our life as Christians. We are of course so happy to be physically closer to each other once again, but we want to explore what it means to be closer to God, and in particular how we can pay much closer attention to the good news about the Lord Jesus.

We look forward to you joining us on this journey and discovering the impact that deeply knowing Jesus should have on our daily lives.
