THEME: Deeper into God's heart

A wonderful opportunity for women of different ages, nationalities and walks of life to come together, worship God and enjoy some time away.

We have two weekends with author and speaker Sharon Garlough Brown (Sensible Shoes) taking our Bible teaching sessions. Choose either Friday to Sunday or Friday to Tuesday - whatever suits your schedule. Along with excellent input from Sharon you can enjoy our pool and sauna, be as active or as inactive as you like in the gym,

the Sports Hall or through our parkland estate. The kettle is always on, our sofas are waiting for you, this is a weekend to stop, rest and recharge - or run, refresh and return. Our wish is for you to receive what is needed for your weekend to be a helpful time - as it has been for many over the years.

Bible Teaching with Sharon Garlough Brown

Sharon Garlough Brown is an author, spiritual director and retreat speaker. Together we will be looking at the topic of 'Deeper into God's heart'.

GREATNESS; LET US EXALT HIS
