

HOLIDAYS 2021

“From a Distance!”

Our hope for next year is that everyone is able to come to Capernwray and experience the fun, variety and refreshment of a much-needed break. We might need some arrows on the ground to direct you and some strategically placed hand sanitisers, but alongside these changes you will find that our beautiful location still has a friendly team to welcome you, that our Bible teaching is still focussed on Jesus, and that we still have enjoyable activities lined up for you.

With a definite nod to COVID-19 our theme, ‘From A Distance!’, will help evaluate where you are in your relationship with others and more importantly with Jesus Christ. But remember a distance can be very small, or very large, so being able to recognise and adjust your distance from God will help you navigate these unusual times and beyond.

Pencil the dates in your diary for now, more details will follow soon. Please continue to check our website and subscribe to our electronic newsletter to receive the latest updates.
